What is ClickToPay?

ClickToPay is a simple and secure way to have invoices paid by your customers with one easy click. It is designed to add to a company's bottom line by adding convenience and ease to the invoice paying process. The online payment portal software, installation, setup, maintenance, training and support are absolutely free for customers processing with REPAY. There are no billing limits!

New support for Sales Order payments in ClickToPay now provides your company the ability to accept payments during the Sales Order process in Sage 100, direct from the online payment portal.
