

Amazon Integration with Sage 100

Connect with Confidence

Chances are your company partnered with Amazon to offer your products to their 315 million global consumers. Whether you are fulfilling the orders from your warehouse or having Amazon fulfill them, their state-of-the-art e-commerce platform is hard to beat for a seamless shopping experience with fast, flexible service, and Prime shipping.

Key Integration Points

The following are touch points that are available to the Amazon Fulfilled by Merchant and Fulfilled by Amazon integrations, using Amazon's SP-API:
